Meeting ID: 882 3656 8831

Passcode: 197076

Join us for an insightful webinar focused on empowering individuals and organisations to thrive amidst increasing uncertainty through self-innovation. This session will delve into practical sciences-backed strategies and mindset shifts essential for fostering innovation at a personal level, enabling you and your team to navigate and excel in a rapidly changing environment.

This session will be delivered by Terez Rijkenberg who is a dynamic force for change, adeptly balancing her varied roles as Executive Coach, MBA graduate, speaker, and facilitator with clarity and conviction. Putting people first, her unique blend of innovation, productivity, and mindset strategies drive company culture, organisational change, and transformation through the human element. Leveraging her extensive knowledge and people-centred experience, Terez harnesses science-backed behaviour change models to effect transformation from the inside out. Featured in Raconteur, Women on Business, Thrive Global, Creative Impact Co., Herriot Watt University, and Business Because, Terez's accolades are as diverse as her skill set.

### **What You'll Learn:**

- Leveraging the RAFT® formula to drive self-innovation
- The new intelligence (It's not IQ or EQ)
- The best place to go when you need a creative breakthrough
- The #1 emotion for innovation
- How to think creatively even in times of high-pressure and uncertainty
- Building a culture of radical-flexibility and anti-fragility
- BONUS: Worksheet with all of the strategies and frameworks discussed in the session
