

#9: Creating a Champions Network

Speaker: Lauren Romo, DEFRA

Date: Tuesday 22nd October,

Time: 10.00am BST / 1.00pm GST / 11.00am CET

Duration: 45 minutes

Join us for the next instalment of Innohive by ideasUK when Lauren Romo will share her insights around creating and sustaining an innovation champions network. An innovation champions network provides the platform to amplify the impact of an innovation program by fostering peer-to-peer advocacy, accelerating cultural adoption, and driving engagement across the organisation. The champions act as catalysts for change, offering on-the-ground insights and support, which helps sustain momentum and overcome resistance to new ideas. Join us to hear the highs and lows of this initiative and the benefits the network has brought to the organisation, plus share your experiences around developing such networks too!
